DEPARTMENT OF HISTORY CHRONICLE 2020-21

"Life isn't about waiting for the storm to pass. It's about learning how to dance in the rain."

Times may have been too tough over the year 2020 but the best part is that we learned to live with the pandemic, we learned about different ways to continue our studies.

A series of activities took place during the lockdown in the Department of History. And it is worthwhile to record it as a chronicle under these special circumstances.
