29/7/25

An interactive session was organised and held in the commerce department for mentor & mentees regarding their queries and various other aspects.

During the session mentor briefed the mentees about various new emerging fields emerging in the field of commerce like e-commerce, digital marketing. skill development and many such new areas. The mentees expressed their likes on new emerging career opportunities in these fields The mentor highlighted to the mentees that keeping in line with these new dimensions, NEP is a way forward and there are various courses which can help mentees in this. The mentees were also told that keeping in pace with this various seminars, workshops are being organised in the college where experts from the field are invited to give lectures and updates mentees about future prospects.

The mentor told the mentees that they should take advantage of these opportunities & attend these seminars, workshop in broaden their views.
