MENTOR –MENTEE REPORT OF SESSION 2025-26

Department of Mathematics

Mentor's Name: Dr. Poonam Bajpai

Mentor's Name: All B.Sc. (Mathematics) Students

Mentor–Mentee meetings for B.Sc. (Mathematics) students were organized by the Department of Mathematics 04 August 2025. The meeting aimed to familiarize admitted students with the Mentor–Mentee system and to provide academic as well as personal guidance for their overall development.

During the meeting, The mentor explained the concept, objectives, and importance of the Mentor–Mentee programme. Students were informed that each mentee would receive continuous guidance from the assigned mentor regarding academic performance, understanding of mathematical concepts, problem-solving skills, time management, examination preparation, and career planning.

The mentor emphasized that the system would help students overcome academic difficulties, develop logical and analytical thinking, and build confidence in Mathematics. Guidance related to higher education, competitive examinations, and career opportunities in Mathematics was also discussed. Students were encouraged to maintain regular interaction with the mentor and openly share academic or personal concerns.

The meetings concluded with an interactive sessions where students expressed their queries and expectations. The mentor assured full support and guidance throughout the academic session. The programme was found to be useful and informative, especially for newly admitted B.Sc. (Mathematics) students.

**Outcome of the Meeting:**

- Students gained awareness about the Mentor–Mentee system
- Improved teacher–student interaction
- Academic and personal guidance ensured
- Motivation towards better academic performance in Mathematics

**Participants:**

Faculty member of the Mathematics and admitted B.Sc. (Mathematics) students.
